

Partnership for Patient Care 2022 Leadership Summit

Agenda

**Thursday, October 6, 2022
1-5 PM EST**

1:00 - 1:30 Registration, Networking, & Storyboard Displays

1:30 - 1:45 Welcome and Opening Remarks

- Wendy Nickel, MPH
President, Health Care Improvement Foundation
- Richard Webster, RN, MSN, NE-BC
President, Thomas Jefferson University Hospitals

1:45 - 2:25 Delaware Valley Patient Safety & Quality Award Top 3 Winners Announcement and Panel Discussion

The 2022 Top 3 Winning Submissions will be announced and presenters from our first, second, and third place awards will join a panel discussion to share an overview of their initiatives, what made them successful, and how they can be replicated at other organizations.

- *Moderator:* Pam Braun, BSN, MSN
Vice President, Health Care Improvement Foundation

Winning Initiatives:

- First Place Winner: "Delivering Equitable Care Through a Community Health Worker Driven Multi-Visit Patient (MVP) Program"
- Second Place Winner: "Cart Smart - Reimagining the Emergency Code Cart Readiness Process"
- Third Place Winner: "QI Initiative to Address Inequities in Breastfeeding Initiation Rates in the Newborn Nursery: Work in Progress"

2:25 - 2:35 Advancing Health Equity in HCIF Programs

This session features two of HCIF's current programs that are advancing and promoting health equity, including PPC's Health Equity Data Strategy Collaborative and Collaborative Opportunities to Advance Community Health (COACH).

- Kelsey Salazar, MPH
Director, Population Health, Health Care Improvement Foundation
- April Reilly, MSW
Director, Clinical Improvement, Health Care Improvement Foundation

2:35 - 2:45 Break

Attendees will have this time to view storyboard presentations from the Top 10 Delaware Valley Patient Safety & Quality Awards.

2:45 - 3:25 **Keynote Presentation: What Can We Do Together That We Couldn't Do Alone? Achieving Health Equity Through Community Partnerships**

- Somava Saha, MD, MS
Founder and Executive Lead, Well-being and Equity (WE) in the World

A keynote presentation from Dr. Somava Saha will highlight the connection between quality and safety, health equity, and community engagement. Dr. Saha will also outline the benefits of engaging communities to advance healthcare quality, safety, and equity; and highlight existing models for community engagement that have improved healthcare quality, safety, and equity outcomes.

3:25 - 3:55 **A National Model for Advancing Health Equity Through Community Engagement**

- Victor Murray, MSW
Senior Director of Community Engagement & Capacity Building, Camden Coalition

A featured presentation from Victor Murray will showcase Camden Coalition's national program that advances health equity through community engagement and emphasizes the power of partnership between a healthcare provider and a community-based organization. This presentation will also describe the improvement journey and distill key learnings that individuals can incorporate in their own work.

3:55 - 4:00 **Closing Remarks**

- Wendy Nickel, MPH
President, Health Care Improvement Foundation

4:00 - 5:00 **Networking Reception**

In person attendees are invited to network with colleagues and enjoy refreshments and hors d'oeuvres.
