

Health Care Improvement Foundation welcomes four new Cities Changing Diabetes (CCD) community partners:

**Mission:** To support the core health needs of children through innovative programs in the areas of care, outreach, research, and education.

**Project Name:** Farm to Families and My Family Kitchen

**Project Focus:** Expanding SCFC's two-pronged approach to addressing food-related social drivers that contribute to chronic disease risk.

**Audience:** Children & families in North Philadelphia

**Website:** [www.scfchildren.org](http://www.scfchildren.org)

## Greener Partners

**Mission:** To strengthen community health through urban farming, equitable fresh food access, and discovery-based learning.

**Project Name:** Belmont Healthy Schools Project

**Project Focus:** Deepening food education, food access, and food sovereignty work with Belmont Charter's entire network of 7 schools from pre-k to high school.

**Audience:** Youth in West Philadelphia

**Website:** [www.greenerpartners.org](http://www.greenerpartners.org)

**Mission:** To lead the fight against food insecurity in the Philadelphia region, by serving an expansive, quality partner network of community-based organizations and school districts engaged in food distribution, education and advocacy.

**Project Name:** Share Food Program's Nutrition Education and Youth Land Stewardship Program

**Project Focus:** Strengthening SFP's direct service work by incorporating critical nutrition and food systems education.

**Audience:** Youth in North Philadelphia

**Website:** [www.sharefoodprogram.org](http://www.sharefoodprogram.org)

**Mission:** To bridge the gap between surplus food and hunger.

**Project Name:** Food Connect's Healthy Food Access Program: North and West Philadelphia Expansion Project

**Project Focus:** Increasing access to healthy food, mitigating transportation barriers, and strengthening community and healthcare partnerships.

**Audience:** Low-income, at-risk, underserved, communities of color in North and West Philadelphia
